

Standard of carriage and necessary days

We inform you of the standard of the carriage from our address to your address and the standard of necessary days.

We request sending the commodity from EMS(Express Mail Service).

The carriage is decided depending on your address and weight (weight of the commodity and weight of the packing material).

This doesn't contain the import duty.

You must pay if the import duty is necessary.

Please inquire of the customhouse in your country about the import duty.

The standard of an EMS charge
